Interactive Readings: Stories Alive! Featuring Rudolph the Red-Nosed Reindeer

It’s shaping up to be a snowy Christmas and Santa and his team of reindeer are preparing for their flight! How will they make it through a foggy Christmas Eve? Join the Boch Center’s Education Team as we bring to life the holiday classic, Rudolph the Red-Nosed Reindeer by Robert L. May. Each 60 minute session will incorporate props, music and audience participation to explore an age-old lesson, teaching us that our differences are what makes us stronger!

Sponsored by the Boch Center’s Education Department, this FREE program is appropriate for children and families of all ages, especially those 3 to 10 years old.
